

ILLUSTRATION RESOURCES

708.714.2550

www.redesignedminds.com

Illustrations play a major role in my work, and you too can benefit immensely from using them. You don't even need to illustrate from scratch because of the efforts of creative geniuses like Eugene-design, sevenstyles, Vladuha, and Straightdesign. You do however need some basic knowledge on how to add these add-ons into Photoshop.

CONVERT IMAGES INTO ILLUSTRATIONS

PRICES FOR THESE ADD-ONS RANGE \$2-\$15:

[7H10:](#)

Amazing sketch photoshop action
